

# July 2010

ACAT's MISSION is to design and implement training and mentoring programmes aimed at equipping people to be sustainable in every aspect of their lives and to influence, motivate and assist others to achieve the same.

Monday

Tuesday

Wednesday

Thursday

Friday

**We are awestruck at how God is able to change individuals, their families, and communities if they put their lives into his hands! Thank you for your part in ACAT's incredible journey of faith ...**

Stand therefore, having girded your loins with truth, and having put on the breastplate of righteousness, and having shod your feet with the equipment of the gospel of peace; besides all these, taking the shield of faith, with which you can quench all the flaming darts of the evil one. And take the helmet of salvation, and the sword of the Spirit, which is the word of God. Pray at all times in the Spirit, with all prayer and supplication. To that end keep alert with all perseverance, making supplication for all the saints – Eph 6:14

1 Give thanks for the 750 childrens' bibles we are distributing to some of our group members' children. Pray that as the **Word of God goes out to these families**, it will start a process of transformation!

2 Pray for the church planting and sustainable development projects we are involved in in **Liberia**. Pray for **protection** as the Gospel takes root here in this hostile environment.

5 Pray for the **youth** course this week – that they would respond to the love of Jesus and allow Him to transform their lives. Some of them are the children of our volunteers!

6 Pray for wisdom, health and courage for ACAT Directors **Gerald Dedekind** and **Enock Dlamini** of Swaziland, as they lead their teams – that they would be obedient to the Lord as they lead.

7 32 people attended the recent Leadership Skills course held at ACAT. Pray that they would **put these leadership skills into practice** and that God would bless their commitment to Him.

8 Pray for **teachers** as they educate our children. Pray for Christian children and teachers to hold on to their values. 

9 The TB epidemic in KZN is largely driven by HIV and the cure rate compares poorly to the national average. The ave. life expectancy in KZN has dropped from 53 years (1996) to 37 years (2010).

12 Pray for the Lord to bless all our **community volunteers** who sacrifice a great deal of their time and resources to assist others in their areas. 

13 Pray for the **ACAT KZN team** as they meet this week for planning, evaluation and fellowship. Give thanks for each member and their unique contribution to ACAT as a whole.

14 Pray for the **Lord's protection** today. For our team, their families, their vehicles, their faith and their testimonies. 

15 Pray for the leadership team as they meet today – for **Gerald, Gugu, Geoff, Elmon and Thembi**. Pray for God's direction and wisdom in their decision making.

16 Pray for **South Africa** : for crime, land issues, food prices, racial tension, health, education, safety, land issues, xenophobia, power shortages, political tolerance, post world cup depression!

19 Pray for wisdom for the newly trained **Community Governing Boards** in each of our target areas – that they would would serve their communities wisely with compassion and fairness.

20 Pray that each person involved with, and connected to ACAT, would be protected from **fraud**. Pray especially for group members who have new businesses, that they would be wise in their choices.

21 Pray for our partners in **Liberia** – **Marilyn Richards** and **Joseph Zinnah**; and **Paul Wabukoma** in **Uganda**. 

22 Pray for **Christian leaders** in South Africa – for wisdom, protection, and the ability to hold true to God despite pressure to conform. Pray for their families.

23 Pray for those who:  
 • mourn, and those who are sick  
 • care for the sick / orphans  
 • have lost hope for their future  
 • have lost respect for human life  
 • serve in the medical profession.

26 Pray for those who are trying to **farm and produce food**. Pray for the Lord to bless their produce, and the land from which it came. Pray for us all to care for our land and its people. 

27 **Pray for the YOUTH of SA.** Pray that God would raise Godly people to minister to them, and to give them God's plan for their lives. How will they hear if no one tells them?

28 Pray for all the **ministers** of the church – for the Lord to refresh and anoint them to speak His words in this needy world. Pray for them to be faithful in the proclamation of the gospel.

29 Pray for **local government** as they attempt to provide services to their communities. Pray that those who are unable to fulfill functions, would be replaced by those who can deliver.

20 Pray for all the **leaders** in our country. From President Zuma, to local leaders, educators, to heads of homes... **Lord we need your intervention.**
