

# ACAT Prayer Focus

June 2010

*I have said these things to you, that in me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world.*  
John 16:33

2 Give thanks for the blessing of the training centre. This group from Swaziland (including ACAT team members) attended the recent Leadership Skills to address poverty course.

3 Pray for volunteers attending the **Community Volunteer 2 course** this week – for them to feel the transforming hand of God on their lives, and for them to implement what they have learned.

4 Pray for **FAMILIES** in Southern Africa – especially Christian families. Pray especially that **fathers** would take responsibility for their families.

7 Pray for those who will attend the Community Governing Board course this week – that they would find the information useful and be able to implement it when they return home.

8 Pray for those who are sick and / or who carry the burden of family members who are sick. Pray for their encouragement. Pray that group members would help where they can.

9 Pray for team member **Thulani Duma** who is battling with his health – he is currently having chemotherapy treatment. Give thanks for the volunteers in his area who have really stepped in to help.

10 Pray for ACAT's **partners** as they apply some ACAT programmes in their projects. Pray for Refilwe in Gauteng and especially **Jaco van Schalkwyk** their Director.

11 The **day** has arrived ... The start of the Fifa 2010 Soccer World Cup!

14 Pray for the **scholars** who have been invited to attend a special youth course at ACAT this week called "My Life" - which deals with some important life skills and some fun activities!

15 Pray for the **Sweetwaters and Hilton** churches who are implementing some ACAT's programmes. Pray that their groups would become strong and productive. Pray for **unity** in their team.

16 **YOUTH DAY**  
*A young man who obeys the law is intelligent. One who makes friends with good-for-nothings is a disgrace to his father – Prov 28:7*

17 Give thanks for each person who has committed their lives to Jesus during the last few training courses. Pray for them to be strengthened in their new faith.  
**The fields are white with harvest!**

18 Pray for Andre van Blydenstein – our partner – he travels to very remote places in Africa. Pray for his encouragement as he disciples new believers and offers income generating skills to assist them.

21 Pray for protection over our team and their vehicles. We have had a few accidents and attempted thefts and all this costs money to repair! Pray for wisdom in how to maintain the vehicle fleet.

22 Health statistics put South Africa's daily HIV / AIDS death rate at at least 1000 deaths per day. Kwazulu-Natal has the highest number of people infected with this virus (16 - 22% of KZN population).

23 Pray for ACAT's **finances** – the exchange rate fluctuations have deminished our income. Pray for wisdom as the leaders work through cost-cutting measures. Pray for the team's encouragement.

24 Pray for the leadership team as they meet today – for **Gerald, Gugu, Geoff, Elmon and Thembi**. Pray for God's direction and wisdom in their decision making.

25 **Pray for South Africa and ALL her people** – for **wisdom** for the government; – for **forgiveness**; – for political **tolerance**; – for **revival** in the hearts of all.

28 Give thanks for all those who **support** ACAT – their support is hugely encouraging to our team. Pray for the Lord to bless their generosity.

29 Pray for the succesful marketing of our training material – so that people can gain skills and ACAT can generate income for our programme.

30 Pray that the Lord would continue to supply ACAT and each of our team members with **fresh ideas** and the ability to discern workable solutions to countless obstacles and challenges of rural living.

***I thank my God in all my remembrance of you, always in every prayer of mine for you all making my prayer with joy, thankful for your partnership in the gospel from the first day until now. – Phil 1:3***
